

PUBLIC NOTICE

The Meghalaya State Electricity Regulatory Commission had issued previous publication in the Meghalaya Gazette inviting comments from utility, stakeholders, NGOs and individual(s) on the Meghalaya Electricity Supply Code, 2011. This code deals with the supply of electricity by MeECL, procedure of new service connections to consumers, installations of meters, billing, disconnections, unauthorized use and theft of electricity. After receiving comments, the Commission has prepared a revised draft of Supply Code which is placed on its website, (www.mserc.gov.in). In order to finalise the code, the Commission invites objections/comments from all stakeholders including consumers on the revised Draft of Meghalaya Electricity Supply Code, 2012. Comments may be sent to the Secretary , Meghalaya State Electricity Regulatory Commission , New Administrative Building, 1st Floor Left Wing, Lower Lachumiere, Shillong – 793001 either in person or by post or through email (secy.mserc-meg@nic.in), so as to reach this Commission by 27.02.2012.
